### The Teacher

Who advised her pupils to strengthen their minds by the use of Ayer's Sarsaparilla, appreciated the truth that bodily health is essential to mental vigor. For persons of delicate and feeble constitution, whether young or old, this medicine is remarkably beneficial. Be sure you get Ayer's Sarsaparilla.

"Every spring and fall I take a number of bottles of Ayer's Sarsaparilla, and am greatly benefited."—Mrs. James H. Eastman, Stoneham, Mass.  
"I have taken Ayer's Sarsaparilla with great benefit to my general health."—Miss Thirza L. Orer, Palmyra, Md.  
"My daughter, twelve years of age, has suffered for the past year from

General Debility.  
A few weeks since, we began to give her Ayer's Sarsaparilla. Her health has greatly improved."—Mrs. Harriet H. Battles, South Chelmsford, Mass.

"About a year ago I began using Ayer's Sarsaparilla as a remedy for debility and neuralgia resulting from malarial exposure in the army. I was in a very bad condition, but six bottles of the Sarsaparilla, with occasional doses of Ayer's Pills, have greatly improved my health. I am now able to work, and feel that I cannot say too much for your excellent remedies."—F. A. Pinkham, South Molokus, Me.

"My daughter, sixteen years old, is using Ayer's Sarsaparilla with good effect."—Rev. S. J. Graham, United Brethren Church, Buckhamon, W. Va.  
"I suffered from

Nervous Prostration,  
with lame back and headache, and have been much benefited by the use of Ayer's Sarsaparilla. I am now 80 years of age, and am satisfied that my present health and prolonged life are due to the use of Ayer's Sarsaparilla."—Lucy Moffitt, Killingly, Conn.

Mrs. Ann H. Farnsworth, a lady 79 years old, 806 Woodstock, Vt., writes: "After several weeks' suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."

Ayer's Sarsaparilla,  
PREPARED BY  
Dr. J. C. Ayer & Co., Lowell, Mass.  
Price 25¢; six bottles, \$1.50. Worth \$3 a bottle.

Interesting News From All Parts.

WASHINGTON, Dec. 10.—The senate finance committee reported back adversely a bill to provide for the organization of national banks with less capital than \$50,000; it was indefinitely postponed.

The senate this afternoon confirmed the following nominations: Robert P. Porter, of New York, superintendent of census; Lewis A. Croft, of Nebraska, commissioner of mineral land office; William M. Stone, of Iowa, assistant commissioner general land office; James M. Townsend, of Indiana, recorder general land office.

SILCOOT'S DEFEAT.  
WASHINGTON, Dec. 10.—The committee investigating the affairs of the office of sergeant-at-arms of the house this morning heard a statement from representative Gear, of Iowa, relative to the forgery of his name to a draft presented at the National Metropolitan bank and subsequently taken up by Silcott.

Ex-representative Tanbree, of Kentucky, who since his retirement from congress has used the sergeant-at-arms' office as a banking house, endeavored to convince the committee that the money should be refunded.

DEATH OF MRS. HARRISON'S SISTER.  
WASHINGTON, Dec. 10.—Mrs. Scott Lord, a sister of Mrs. Harrison, died this morning at 8:30. Nobody outside of the family were in the house where she was stopping, or was present when Mrs. Lord died. It is known the case was well high hopes, but death was not expected so soon.

WHITE CAPS IN COLORADO.  
DENVER, Dec. 10.—A special from Holyoke, Colo., says a massed mob of seven White Caps, last night, took J. D. Bennett and W. D. Kelsey, two prominent attorneys, from their beds and not allowing them to dress, drove them two miles in the country, where they administered a most brutal horse-whipping and warned them to leave the country. The perpetrators of the outrage then left the men and returned to the town. Bennett and Kelsey, after several hours, reached home and today they are in a critical condition. It is thought the White Caps are known and they will be arrested.

The trouble has grown out of a county seat war and if the guilty parties are secured, sensational results are anticipated.

FEDERATION OF LABOR CONVENTION.  
BOSTON, Dec. 10.—A large number of delegates were present at the opening of the American federation of labor to-day. THE GIBBS TRIAL.  
PORTLAND, Dec. 8.—The Gibbs trial began to-day, all day was consumed in getting a jury: thus far only two have been selected.

DO NOT SUFFER ANY LONGER.  
Knowing that a cough can be checked in a day, and the first stages of consumption broken in a week, we hereby guarantee Dr. Ayer's English Cough Remedy, and will refund the money to all who buy, take it as per directions, and do not find our statement correct.

A newly appointed justice of the peace in northern Idaho was asked last Thursday what he would charge to marry a forlorn looking couple that had appeared to him from the back woods. The J. P. thought he could perform the ceremony for fifty cents. The man allowed that he might lose it. On the performance of the ceremony, the justice called for his fee. After considerable fumbling in the pockets of his overalls the bridegroom thought he had either lost it or left it "to-hum." The J. P. having no desire to lose so large a prize as fifty cents, calmly informed the rustic youth that he was "unmarried." A bystander came to the rescue of the young man and loaned him fifty cents, which was handed to his honor. The justice then remarked that they were again married, and at liberty to depart.

### He Knew How to Work It.

Some years ago, when Judge H. G. Hicks was not so prosperous as he has been in later years, says the Minneapolis Tribune, he owed a little bill of \$25 to a well known firm, and one of the members came to see him about it. The judge, then a plain colonel, lately returned from the war, frankly answered that he was "busted," and asked for an extension of time.  
"Can't do it," said the gentleman; "If you can't pay it we will have to sue you."  
"How can I pay when I haven't got the money?" asked the colonel.  
"Well we'll have to bring suit," said the gentleman, as he started off.  
"Hold on," said the colonel, as a bright idea struck him. "Why not give me the case? You will have to employ some lawyer."  
"That's so," said the gentleman, "all right, bring the suit."  
Colonel Hicks brought the suit, confessed judgment, sent in his bill for \$50 attorney's fees, collected it, and then settled the judgment. From that time on, he had all the firm's law business.

Don't neglect your cough! Ayer's Cherry Pectoral will cure it, and prevent consumption. Write J. C. Ayer Co., Lowell, for evidence.

All He Needed Was Dat Nickel.

Financially, as a people, under free trade we would all be like the darkey who was raised in the north when he made his first trip to New Orleans. He was leisurely walking along the main retail street. He came to a large fruit and vegetable house, and the watermelons were stacked up on the pavement six feet high on both sides of the door. They were the largest melons ever seen in any state. The darkey's mouth watered and his eyes began to blink. He stood there with carpet sack in hand, charmedly viewing the luscious fruit before him. He yelled to the proprietor and asked him the price, who replied that he could take his choice for a nickel, whereupon the darkey exclaimed: "Great day in the morning, don't I wish I had dat nickel!"

A Puzzle.  
Why grown men and women with matured reflective powers should neglect their small ailments is really a puzzle. Hosts of otherwise sensible people thus neglect their health. It is one of the things which, as the late lamented Lord Dandridge exclaimed, "no felish can find out." Diseases grow faster than weeds, and, moreover, begot one another. Indigestion, a touch of biliousness, slight irregularity in the habit of body, a complex and serious bodily disturbance, not to look but for these no hopes, if disregarded? Baffle and drive off the foe at the first onset with Hostetter's Stomach Bitters, sovereign among preventives. A constitution invigorated, a circulation enriched, a brain and stomach tranquilized by the steady use of Hostetter's Bitters, becomes well high invaluable. The bitters counteract malaria, rheumatism and kidney complaint.
